PRESENTED HANDEL'S "MESSIAH" - This is a large segment of the combined Andover Male Choir and Andover Chorus, which presented the "Messiah" at Cochran Chapel last Sunday

evening. Hundreds of music lovers were thrilled as they heard the group sing this traditional Christmas music. Conducting is J. Everett Collins. (Leone)

Post Office Is Open Saturday

The Post Office will be open until 5 o'clock Saturday, for both the sale of stamps and parcel post.

Both the main office on Main st. and the Shawsheen branch will provide this service, and will be open again the following Saturday.

The windows will also be open Sunday, Dec. 20, from noon to 4 p.m.

Postmaster Stephen A. Boland is again asking for the cooperation of Andover residents in mailing Christmas cards and packages early. And he points out that residents can be of invaluable assistance by tying Andover, Ballardvale, and out-of-town cards, separately. Labels can be obtained from the Post Office or from letter carriers, he explained.

The Post Office is anticipating one of the largest volumes of mail in its history, thus emphasizing the value of patrons' cooperation.

Mr. Boland urges everyone to buy their stamps early, rather than wait in the lines that always develop closer to Christmas. And he also notes that too many letters get to the "dead letter office"

Vale Building Permit Halted

The Selectmen have temporarily stopped a building permit issued to Franklin Haggerty of Andover st. for use of a building at the corner of River and Andover sts. in Ballardvale for the processing and storing of small machine parts.

Building Inspector Ernest N. Hall had issued the permit, based on a decision of the Appeals Board in February of 1958 which stated that the building is a non-

STORES SET HOURS FOR YULE SHOPPERS

For the Christmas-time convenience of their customers, Andover merchants have established uniform store hours for the next 12 days.

All up-town stores will remain open until 9 p.m. each of the shopping days through Dec. 23, but will close at the normal hour - 6 p.m. - on Christmas Eve.

Casey Proposes Bill For Raytheon Access

State Representative William J. Casey of Lawrence has filed a bill which would authorize the state to construct the access road from the Raytheon plant in Shawsheen out to the new Rt. 110, near Den Rock Park in Lawrence.

This road is the dream solution to the traffic problem in the Village - traffic would exit quickly over the new road, onto

Abbot Plans Yule Events

This weekend will find a variety of Christmas celebrations at Abbot Academy.

Friday evening brings the annual Christmas readings, given by the speech classes. Saturday afternoon the annual children's party will be given by the Abbot Christian Association. And Saturday evening, two plays, "The Littlest Angel" and "The Christmas Carol", directed by members of the Senior Drama Group, will be given by the Preparatory Class.

Among those participating will be Cynthia Bennett, daughter of Mr. and Mrs. William R. Bennett Jr., 35 Salem st.; Margaret Brown, daughter of Dr. and Mrs. John C.

Hearing Scheduled On Dairy Plans

Sidney P. White is asking for Appeal Board approval of his plans to erect two buildings on his land on Andover st.

The hearing has been called for 7:30 p.m. Jan. 7 in the hearing room on the second floor of the town hall.

At issue, at the hearing, is Mr. White's plan to build a combined

Route 93 Enthusiasts Better Keep Their Fingers Crossed

Route 93 fans better keep their fingers crossed for the next few days.

For working its complex way through the State Department of Public Works executive offices is a report that could jar users of the road loose from their happy dreams of traffic-free driving.

Although we haven't any report on the actual formation of "fan clubs", it's known that hundreds of drivers have been more contented lately than for many years.

Who wouldn't be? Missing the long lines of traffic hung up practically at the Lawrence line, and the seemingly never-ending stop-and-start pace through the city, is enough to keep any motorist on cloud nine.

That's why you better cross your fingers - because all this may have been a short-lived dream.

The state DPW is getting closer to a conclusion - may even have it by this weekend - on keeping the road open during the winter.

Route 128 Out

It's a foregone conclusion that the road from Dascomb rd. to Route 128 won't be open.

A talk with the superintendent of the Wilmington section earlier this week confirmed that the job will be closed down within a week

Teachers Feted Retiring Custodian

Charles Flanagan, who is retiring as custodian of the building, was guest of honor at a party Thursday, Dec. 3, at the Shaw-sheen School.

The room was attractively decorated in the spirit of Christmas by Miss Florence McCarthy, assisted by Mrs. Frances St. Germain, Miss Mary Leary, Mrs. Catherine Danahy, and Mrs. Sally Donovan. As Mr. Flanagan, accompanied by his wife, entered

the room he was greeted with a song. The words were written by Miss Joyce Mowat to the tune of the Battle Hymn of the Republic. Miss Mowat accompanied the singers on her accordion. She played several numbers, including Christmas Carols, during the evening.

A delicious ham dinner was prepared by Mrs. Florence McGrath, assisted by Mrs. June Doherty and Mrs. Kay Doherty. Mrs. Joanne Holland said the invocation, and Karen Glennon, Elaine Johnson, Pauline Nigrelli, and Donna Downes, all sixth grade pupils, served as waitresses.

Miss Anne Harnedy, principal, read a humorous poem about retirement which brought chuckles from many of the guests as well as from Mr. Flanagan. Original poems, suited to the occasion, were read by Mrs. Pauline Dargin and Mrs. Margaret Fingleton. Others who participated in the entertainment were Mrs. Sally Donovan, Mrs. Gertrude Stewart, Mrs. Isabel Chlebowski, Mrs. Gladys Hajjar, Mrs. Virginia Garland, and Miss Mowat.

Mrs. Flanagan was presented with a corsage and a beautiful

poinsettia centerpiece. Flanagan received a patio chair, lounge and matching chair. Mr. and Mrs. Flanagan were touched and expressed in a well chosen words their appreciation.

Seated at the head table were Mr. and Mrs. Charles Flanagan, Miss Anne Harnedy, Miss Leary, Mrs. Sally Donovan, Ruth Wescott, and Mrs. McArdle.

Other guests were Mrs. Holland, Mrs. Pauline Dargin, Gertrude Stewart, Mrs. Chlebowski, Mrs. Eleanor Tully, Mrs. Mary Michalski, Mrs. Darby, Miss Joyce Mowat, Florence McCarthy, Mrs. Virginia Garland, Mrs. Marjorie G. Mrs. Catherine Danahy, Frances St. Germain, Mrs. Margaret Fingleton, Mrs. Hajjar, Mrs. Helen Hilton, Patricia Joyce, Miss Polly Miss Martha Howe and Ray ven.

Courteous Circle Meets Monday

The Courteous Circle of Kings Daughters' meeting will held in the fellowship hall at South Church, Monday, Dec. 14. Supper will be served at 5 p.m. the hospitality committee.

Mrs. Frank Hayes will in charge of the devotions. A Christmas program will feature "Story about Madonnas" by Bottomley, and Christmas music.

ACADEMY CHOIR AT CHRIST CHURCH

The Phillips Academy Choir will make its traditional visit to Christ Church Dec. 13 at the 8 o'clock service. They will sing "Lo, How a Rose E'er Blooming" by Praetorius and "Lo, A Voice from Heaven Sounding" by Bortniansky.

Yule Workshop At West Parish

The Auditorium of the Church was humming with Christmas Activities last Sunday afternoon from 3 until 5, when 300 children gathered under supervision of their parents teachers to hold a Christmas Workshop. It was the time this venture was ever in the West Church and it proved most successful.

Many very lovely Christmas gifts and decorations were made and the Christmas spirit prevailed was very noticeable. Following the Workshop, Carols were sung and a very lovely Christmas Story was told by John Sargent, wife of the pastor. Refreshments were served by the members of the Pilgrimage Fellowship. The Christmas was lighted for the occasion.

Yule Workshop At West Parish

The Auditorium of the West Church was humming with Christmas Activities last Sunday afternoon from 3 until 5, when over 300 children gathered under the supervision of their parents and teachers to hold a Christmas Party Workshop. It was the first time this venture was ever tried in the West Church and it proved most successful.

Many very lovely Christmas gifts and decorations were made and the Christmas spirit which prevailed was very noticeable. Following the Workshop, Carols were sung and a very lovely Christmas Story was told by Mrs. John Sargent, wife of the Interim pastor. Refreshments were served by the members of the Pilgrim Fellowship. The Christmas Tree was lighted for the occasion.

Will Entertain Project Residents

Members of Beta Sigma Phi Sorority will entertain residents of the housing for the elderly Sunday, from 4-5 p.m.

Mrs. George W. Ainscow is chairman of the committee, assisted by Mrs. John Gillies and Mrs. Howard Bond.

In addition to presenting the

residents with a coffee maker for their recreation room, all the women will receive corsages and the men will receive pens.

There will be Carol Singing, and refreshments will be served by the Sorority members.

ENDED PERIOD OF TRAINING

Richard H. Kerr, son of Mr. and Mrs. Colin H. Kerr, 9 Howell dr., graduated from recruit training Nov. 28 at the Naval Training Center, Great Lakes, Ill.

The graduation exercises, marking the end of 11-weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries. In 11-weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

Chi Rho Plans Dinner Dance

The Chi Rho Club of St. Augustine's Parish, in conjunction with the Chi Rho Club of St. Patrick's Parish in Lowell, will sponsor a dinner-dance at the Andover Country Club Tuesday, Dec. 29. The music will be supplied by Pete Derba's Orchestra. This semi-formal affair will be for couples only.

Any member of the Chi Rho interested in attending this holiday affair is urged to contact any officer of St. Augustine's Chi Rho. Reservations must be made by Monday, Dec. 21.

"Dear Reader"

We like to receive letters from our readers - even when they disagree with us. A letter proves that we have at least one reader of our message among the readers of this newspaper.

A few weeks ago we wrote about the CO-OP being a friendly store. And a reader took us to task for our nostalgic reference to the old country store and its friendly grocer.

Our reader says that chatting with the friendly grocer or his clerks is "for the birds." He prefers the cold impersonal merchandising expert.

To this we say - TO EACH HIS OWN. At the CO-OP, no customer is under obligation to exchange a friendly word with anyone. But it is our daily observation that most of our shoppers LIKE a friendly word with their friends or with our employees.

These chats sometimes hamper traffic in our aisles, but plans for our new store will soon help correct that situation by providing TWICE our present floor space.

And so we say, we like it warm but whether you like your shopping atmosphere warm or cold it will still pay you to Shop CO-OP.

Mrs. Berwick Was Guest At Party

Mrs. Louis P. Berwick, 44 Beacon st., was the guest of honor at a farewell party at the home of Mrs. Daniel B. Armstrong prior to Col. and Mrs. Berwick moving to Westhampton, N. Y.

Following a presentation of a coverage and mementos from her friends, she was further honored by a luncheon at Taylor Farms, Tewksbury.

Mrs. Berwick has been an active member of Girl Scouting PTA, the November Club and the Newcomers Club since coming to Andover. She also assisted her husband, Col. Louis P. Berwick, during his administration as Civil Defense director of this area.

In attendance at the party were Mrs. Daniel Armstrong, Mrs. Thomas Cummings, Mrs. James Ellis, Mrs. Donald Danforth, Mrs.

George Barleon, Mrs. George Snow, Mrs. Gordon Lauder, Mrs. Harry Mellett, Mrs. John MacFarland, Mrs. Rudolph Rotolo, and Mrs. Robert S. Howard.

Must Fill In Forms Legibly, Completely

An appeal to veterans and their beneficiaries to properly execute required forms when applying for veterans benefits was issued by William J. Blake, manager of the Veterans Administration regional office Boston.

Every item on an application blank must be filled in legibly before the claim can be adjudicated, he pointed out. Failure to provide the necessary information holds up the decision on the claim until correspondence elicits a complete answer.

Such correspondence is costly to the applicant and to the

Government, Blake said. It is further objectionable to all concerned because it delays action on the application.

BIBLE STUDY GROUP MEETS

The Rev. A. Graham Baldwin, minister at Phillips Academy, will speak to the Free Church Bible Study Group Monday evening on the subject of "Prayer". The Bible Study Group meets Monday evenings at 7:30, at the Free Church Parsonage, 14 High st. It is primarily a discussion group, devoted to a critical study of the scriptures.

Addison Gallery Displaying Artists' Personal Cards

About 100 personal Christmas cards, designed by artists, will

be shown at the Addison Gallery of American Art, Phillips Academy, during the month of December.

All the cards are original works by the artists, or are limited editions of prints made by them especially as Christmas cards. These cards have been assembled during the past two decades from personal cards sent to the staff of the Addison Gallery.

Today a wide selection is offered in commercial cards and many people create their own. This exhibit of original works by well known artists is one way to establish a criterion or standard against which one can better judge or evaluate the commercial and private products.

In this exhibition, Christmas cards by a single artist often cover a range of several years. They, therefore, form an interesting survey of that man's development. Among those represented are Josef Albers, John Begg,

George Constant, Chaim Gross, Fannie Hillsmith, Edward Hopper, Gregory Kepes, Lawrence Kupferman, Seong Moy, Robert Osborn, Waldo Peirce, Theodore Rozak and Ben Shahn.

This is the first time these works have been shown to the public. It is hoped that this collection will continue to grow each holiday season and that one day a broader survey of Christmas cards by artists will result.

The Addison Gallery, on the campus of Phillips Academy, is open weekdays from 9 a.m. to 5 p.m. and Sunday afternoons from 2:30 to 5 p.m. The public is welcome at all times without charge.

WILL VISIT ABBOT ACADEMY

Visiting the Abbot Academy Dec. 14 will be Peggy Donaldson, director of admissions at Chatham College.

Miss Donaldson will be answering questions about Chatham and college in general at meetings with the students. Working with her will be Miss Eleanor Tucker, director of studies.

Band Drew Commendation

The Board of Selectmen officially commended the Andover Band for its success in winning first prize in the Greater Lawrence Santa Claus parade last month.

A letter from Board Secretary William Stewart reads as follows:

"The Board of Selectmen on behalf of the people of Andover wish to take this opportunity to extend congratulations to you and the Andover High School Girls' Band for the excellent performance in the Greater Lawrence Santa Claus Parade Sunday, Dec. 13, 1959. We are very proud of you and the award it received."

The example set by this band is a credit to the members, and to those who take active interest in the band with you continued success!"

Case Continued For One Week

A local youth, Douglas S. Leary, 10 Rocky Hill rd., pleaded guilty to counts of unlawful use of an automobile and failure to stop when signalled by a policeman at a session of the Superior District Court Monday.

His case was continued for one week, after Police Chief William L. Nicoll requested the delay for a psychiatric examination to be undertaken.

The chief told Special Judge William H. Daly that at 3:30 Sunday, Officer Henry Giammo, Reserve Officer Arthur MacFarlane took the youth into custody on Ward rd., where the youth was being taken from an automobile by persons who lived in the area.

The youth was said to have been taken to the auto of Higgins of South Main st., which he drove to Shawsheen to wake up a girl friend tapping at a window of her home. A tussle resulted, when he was taken to the police station.

Chief Nicoll told the court the defendant had a loaded calibre rifle on the front seat of the car, which he had taken from his home. He stated the youth told police he intended taking his own life with the rifle or else driving the car into the water. The official report of the youth also stated 19 rounds of ammunition and intended to either take his life or discourage others who might attempt to stop him.

The second complaint referred to stop when signalled, was Nov. 25.

Band Drew Commendation

The Board of Selectmen have officially commended the All-Girl Band for its success in winning a first prize in the Greater Lawrence Santa Claus parade late last month.

A letter from Board Secretary William Stewart reads as follows:

"The Board of Selectmen, on behalf of the people of Andover, wish to take this opportunity to extend congratulations to you and the Andover High School All-Girls' Band for the excellent performance in the Greater Lawrence Santa Claus Parade Sunday, Nov. 8, 1959. We are very proud of our band and the award it received.

Case Continued for One Week

A local youth, Douglas S. Finley, 10 Rocky Hill rd., pleaded guilty to counts of unlawful use of an automobile and failure to stop when signalled by a policeman in uniform at a session of the Lawrence District Court Monday.

His case was continued for one week, after Police Chief David L. Nicoll requested the delay so that a psychiatric examination could be undertaken.

The chief told Special Justice William H. Daly that at 3:30 a.m. Sunday, Officer Henry Giaimo and Reserve Officer Arthur Manock took Finley into custody on Harvard rd., where the youth was being taken from an automobile by persons who lived in the area.

The youth was said to have told police he took the auto of John Higgins of South Main st., after which he drove to Shawsheen and tried to wake up a girl friend by tapping at a window of her home. A tussle resulted, when he woke the family, and police were called.

Chief Nicoll told the court that the defendant had a loaded .22 calibre rifle on the front seat of the car, which he had taken with him from his home. He stated that the youth told police he had intended taking his own life with the rifle or else driving the car to Route 128 and ramming a stone abutment with it. The official told the court that the youth also had 19 rounds of ammunition and intended to either take his life or discourage others who might try to stop him.

The second complaint refusing to stop when signalled, was dated Nov. 25.

LOCAL BELL RINGERS - A group of local women, all from the South Church and affiliated with Phillips Academy, have been regularly rehearsing the art of bell ringing, in preparation for two appearances. They played yesterday at the meeting of the Ladies Benevolent Society at the Academy and will provide the music for the Christmas party of the Women's Fellowship at South Church. The bells belong to Mrs. Harvey Spencer, sister of the Rev. A. Graham Baldwin, minister at Phillips. There are few groups of bell ringers in New England. Posing here are Mrs. Cornelius G.S. Banta, who trained the women; Mrs. Richard S. Pieters, Mrs. Elbert Weaver, Mrs. Gerald Ferris, Mrs. John Richard Lux, Mrs. George K. Sanborn, and Mrs. Allan G. Gillingham.

Construction Starting In Spring On Rt. 110

Construction of Route 110 from Tewksbury to the Route 93 interchange in West Andover will start next spring, according to Palmer Day, project engineer from the State Department of Public Works.

And he anticipates that the sections east of Rt. 93, through the North Main st. interchange, "won't be far behind".

PERSON-L-WISE EMPLOYMENT AGENCY

OUR HELP AMIABLY GIVEN!

Mr. Day appeared before the Selectmen and interested town officials Monday night to explain details of the plans for the interchange at North Main st., specially the dead-ending of Poor st. at North Main. This had not been discussed with the Selectmen before.

Mr. Day said this is planned because there would be a turn-around at that intersection, for cars to make a loop and head towards Lawrence along Union st. The planners feel, he said, that allowing Poor st. to remain open would be dangerous in the midst of the turning traffic.

The turn-around is required because North Main st. will be one-way towards Andover and any turn to get onto a road heading to

Lawrence must be made at that point.

Raytheon Access Sought

Of particular interest to the Selectmen was the possibility of creating some way for Raytheon traffic to get onto the route, without having to use Haverhill st. almost exclusively.

It was suggested that Kenilworth st. might be widened at its intersection with North Main, so that cars could use it without making the present sharp turn. If this is done, it was felt that many cars might use this street instead of Haverhill st. in the Square.

Mr. Day said there can be no access to a ramp going onto the route, but that traffic certainly will have more freedom to move when the one-way system is established. He thought that cars turning right from Haverhill st. onto North Main could mingle with, and exchange lanes with, cars heading straight along North Main st. prior to reaching the first ramp onto the route.

During a quick inspection of the plan, it was noted that a sharp bend in the river is to be straightened out, and that the stream will approach very close to the Raytheon parking area that has just been completed.

The new highway will be 23 feet above the railroad line, and will still be going slightly downhill from its peak height west of North Main st. A huge cut is anticipated at that point, with a tremendous amount of fill being required nearer to the railroad.

In the section west of the interchange, it was noted that Chandler rd. and Greenwood rd. will be over the highway, while Beacon st. will be under it. There is no interchange at Beacon st.

Mr. Day said he would anticipate that construction might get underway next summer in the North Main st. area, and that it probably would be two years before the work could be completed.

Major Town Problem

One of the most important problems created by the new highway is in the water and sewer department, according to its superintendent, Donald Bassett. He pointed out that Route 110 practically

follows the course of the out-fall sewer. This means the sewer will have to be replaced, but it can not be replaced off at any time, Bassett explained. The sewerage through the cast iron pipe heavy pressure every hour of day.

The state normally pays the cost of replacing utilities, and the town decides to add to the size of the existing pipe.

If this happens, the town will install it.

In some cases, Bassett said, the town will be necessary to replace existing with larger pipe, to take care of future growth. Cost estimates will be prepared immediately, inclusion in the 1960 budget.

Mr. Bassett said he and Manager Thomas E. Duff have been attempting to keep abreast of developments in the Route 110 planning so that municipal requirements can be determined plenty of time for inclusion in a warrant and in the specifications of the state when the job is out to bids.

Take it easy on winter roads. Operate with a speed consistent with the hazards present in winter driving. Slow down when snow's down.

PERSONAL

Selectmen Do T Cut Own Salary**CASEY PROPOSES RAYTHEON ACCESS**

(Continued from Page One)

Rt. 110, and then to all points. The interchanges with Rt. 110 would be sufficiently close to allow traffic to proceed easily over this north-south artery, go east-west on Rt. 110.

This plan was first reported in the Andover Townsman last month ago, when Dewey Dyer revealed its details. At that time, on several occasions since, there have been meetings with municipal and state officials to determine whether the road could be constructed. But no further reports of progress had been reported until Rep. Casey filed his bill last week.

According to the representative, the road would have many beneficial results, including the prompt dispersal of traffic from the Raytheon plant when the day shift lets out in the afternoon. Also mentioned was the benefit the firm would derive from easier shipping.

Mr. Casey also mentioned thousands of dollars that have been spent by Raytheon in the area, and local firms have been strengthened as a result. Thus he commented:

"I believe these facts point to the vital importance and necessity that a connecting road should be built to help stabilize and protect the economy of this area".

ANDOVER HIGH

At last week's Science Club Meeting at Andover High School, Dr. Emil Ganem spoke on the subject of "Cancer, Cause, Prevention, and Recognition". Included in his lecture were two films produced by the American Cancer Society.

Miss Beatrice Stevens attended a meeting of heads of English departments in this area last week at Wakefield. Several visiting professors from Tufts University and Lowell State Teacher College were present and discussed problems common to both areas.

Selectmen Do The Unusual, Cut Own Salaries By 60%

CASEY PROPOSES RAYTHEON ACCESS

(Continued from Page One)

Rt. 110, and then to all points. The interchanges with Rt. 93 would be sufficiently close to allow traffic to proceed easily over this north-south artery, or so east-west on Rt. 110.

This plan was first reported in the Andover Townsman long months ago, when Dewey Dyer revealed its details. At that time, and on several occasions since, there have been meetings with municipal and state officials to determine whether the road could be constructed. But no further reports of progress had been received until Rep. Casey filed his bill last week.

According to the representative, the road would have many beneficial results, including the prompt dispersal of traffic from the Raytheon plant when the day shift lets out in the afternoon. Also mentioned was the benefit the firm would derive from easier shipping.

Mr. Casey also mentioned the thousands of dollars that have been spent by Raytheon in the area, and local firms have been strengthened as a result. Thus, he commented:

"I believe these facts point to the vital importance and necessity that a connecting road should be built to help stabilize and protect the economy of this area."

ANDOVER HIGH

At last week's Science Club Meeting at Andover High School, Dr. Emil Ganem spoke on the subject of "Cancer, Cause, Prevention, and Recognition". Included in his lecture were two films produced by the American Cancer Society.

Mrs. Beatrice Stevens attended a meeting of heads of English departments in this area last week at Wakefield. Several visiting professors from Tufts University and Lowell State Teachers College were present and discussed problems common to both areas.

Andover's five Selectmen have done the unusual.

They're recommending a 50 percent cut in their own pay... a step that's a rarity in municipal affairs anywhere.

When the voters assemble for town meeting next March, they will be asked to approve salaries of \$400 for four members and \$500 for the chairman. The pays have been \$1,000 — the same as established for the former Board of three members.

Expressing the concern of his fellow Board members for economy in government, Chairman Eugene A. Bernardin Jr. announced the startling decision early this week.

He said the members are called on to spend much less time than former Boards, because the town manager charter establishes a system in which the administrative work is done by the manager, not the Selectmen.

Shawsheen Woman's Club Held Annual President's Night

The Shawsheen Village Woman's Club held its annual President's Night Monday evening at the Andover High School, with many distinguished guests present.

Mrs. John Guild welcomed the guests, including Mrs. Earl R. Weidner, president of the Massachusetts State Federation of Women's Clubs, and Mrs. John W. Appleyard of Methuen, director of the tenth district. Presidents of clubs in the 10th district were invited guests.

The Shawsheen club was praised by both Mrs. Weidner and Mrs.

Appleyard for its outstanding work, particularly in veteran's service and in providing scholarships. They also expressed the Federation's gratitude for the Club's assistance in its projects.

An interesting musical program was held, featuring the Pitchons, a husband and wife team from New York City. They gave their interpretations of old tunes, operatic numbers, selections from popular musical shows and some of the current hit tunes.

A large group of hostesses served refreshments during the social hour. Mrs. Charles Currier and Mrs. William Edwards were co-chairmen and Mrs. Alan G. Chadwick poured.

Club presidents in attendance included Mrs. W. Raymond Jones, Lawrence Woman's Club; Mrs. W. Maxwell Hastings, Methuen Women's Club; Mrs. George A. Hyder, Tuesday Sorosis; Mrs. Ralph J. Henry, North Andover Woman's Club; Mrs. William J. Bain, North Andover, representing the Tenth District Presidents' Club; Mrs. Arthur Gilman, Haverhill Woman's Club; Mrs. Dudley Crawford, Newburyport Woman's Club, and Mrs.

Harry Sellars, Tuesday Club, Andover.

Club officers who assisted as hostesses to visiting presidents included Mrs. Sherman S. Lock, Mrs. George W. Harper, Mrs. Jack D. Ledbetter, Mrs. Douglas R. Crockett and Mrs. Joseph W. Byrne.

Sunday evening the school will hold its Christmas Vesper Service. Both the plays Saturday evening and the Service Sunday evening

will be held in Davis Hall, 7:30 and the public is cordially invited to attend. On the evening of the term, Monday, school will celebrate with a Christmas dinner, followed by Carol singing by the school, Fidelio Society, and the French, Spanish, Latin and Greek classes.

RT. 93 FANS TO HEAR FATE

(Continued from Page One)

He estimated the road will open about July 1 of 1960, pointing out that the firm has an 80 per cent completion date.

But the questions being answered this week concern a stretch of highway from Danvers through Andover, and across Merrimack River bridge at Methuen.

They run roughly like this: How much is winter maintenance likely to cost?

If it's open, the state will have to patrol it - and it's worthwhile to take troops on heavily-travelled roads to prevent a road that will have light traffic?

And of course the biggest question of all - do the contractors and state agree that all sections of the highway, especially the bridge and Methuen approaches are ready for official use?

Other considerations were wondering whether official permission to use the road will be too great a volume of traffic on the local streets nearby. Does the town want to handle the extra work involved?

Answers to these questions are going to wind up on the commissioner's desk any day now, and he'll make the decision whether local sections of RT. 93 stay closed up tight for winter or not.

If the answer is to close them, there'll be some mighty faces among motorists from the area. They'll be remembering the last time they crawled through Lawrence intersections during light winter snow storm.

Cub Pack 76 Met in Community Room

An old-fashioned country store and post office was the unique setting for the regular meeting of Cub Pack 75 last Monday evening in the Community Room. Christmas decorations brightened the scene.

Cubmaster Ellsworth Spencer acted as postmaster and gave out the awards and pins from in front of the post office.

The meeting opened with the flag ceremony by Den 2. This was followed by a candle-lighting Bobcat ceremony, with the following new cubs: Steven Brouck, William Langdell, Mark McGovern, Frederick Craig, Steven Gesing, Paul Cavallaro, Richard Seikunas and Geoffrey Crossley.

Wolf badges were awarded to Stephen Richards and Stephen Willett; one year pins, George Moss, William Spencer, Edward Coleman, Decel Fisher, Larry Hanson, Steven Richards, Phillip Newcomb, Stephen Willett, Robert Demers and William Muller; Two year pins, Robert Hall, Theodore Demers, Bruce Moody and Lewis Trumbore; three year pins, Bruce Spencer, Colin Sherry and Donald Wrigley. Den mother pins were awarded to Mary Craig, Rita Ferrier and Ann Moss; adult pins, one year, Daniel Fisher; 4-year pin, Ellsworth Spencer.

Country store skits were put on by Dens 1 and 4 and den 4 served refreshments.

It was announced that the annual Christmas party will be held in the Community Room Monday, Dec. 21, at 7:30 p.m.

Practical Arts Classes To Resume

The regular evening practical arts classes, of rug braiding, furniture refinishing and sewing, will resume Jan. 4 at 7 p.m.

The classes are held in the Junior High School off Whittier st., and are free to residents of the town.

Further information about the classes may be obtained from Owen Hinckley, director. There will be a few vacancies in each class, he explained.

80 Ambulance Calls In Month

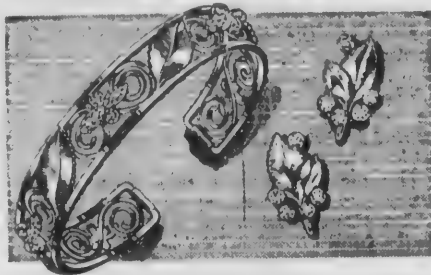

The Fire Department answered 25 alarms last month, according to a report from Chief Henry L. Hilton to Town Manager Thomas E. Duff.

Of the calls, all but three were still alarms. Ten of this number were calls to investigate smoke — with most of these resulting from oil burner troubles, the report indicated.

The town was not called on to assist neighboring communities during the month.

Chief Hilton reported that the ambulance was in use 90 times during the month, including three

out-of-town calls. He also stated that the department held 19 instruction sessions for its men.

EDITORIAL THOUGHTS

Let's Stay On The Ball

There aren't many new items in the municipal grist mill — only variations on familiar themes.

Witness, for instance, the emergence of an old and familiar topic — unaccepted streets.

This was a subject of considerable discussion, and some controversy, a couple or three years ago.

Now, the Planning Board has decided that it can allow no building on any of the unaccepted streets until the Selectmen state that they will be accepted. There are at least 39 of these public ways — and some are old, well-used thoroughfares that most folks believed to be accepted streets until the disclosures many long months ago. A list of the streets, and details of the Planning Board's action, appear elsewhere in today's issue.

Perhaps the present Board of Selectmen, with the town manager, can move forward with some speed in this matter. Most of us believed, when the Legislature passed a special act allowing the town to accept many of the streets, that this would be done almost immediately. But it bogged down and there was no action.

Now we are faced with fresh problems, all hinging on the fact that these streets have not been accepted.

Let's clear up this matter without delay — even if it is necessary to spend some money for an engineer to lay out the present bounds of the roads so that plans will exist in the town files.

Delay has been costly enough to the town as it is. And if one figured out the cost of the man-hours spent discussing the subject, the expense would reach fabulous proportions.

This Bill Deserves Support

The area's representatives should line up solidly behind Rep. William Casey's proposal to authorize the state to build a connecting road from near the Raytheon plant out to the Den Rock Park section of Lawrence, where it would meet Route 110.

This piece of road has been contemplated for a long time — and generally in a favorable light. But there always has been one major stumbling block — money. Who would pay for the construction?

TRAFFIC IS A PROBLEM — An indication of the traffic jam that exists in Shawsheen Square every working day, when Raytheon employees start for home, is this photo taken about 3:30 Monday afternoon. The jammed traffic was worse shortly afterwards, and customarily is considered to be a major snarl during the going-home hours. This is one of the major reasons why Rep. Casey has sponsored a bill to build a road from Raytheon through Den Rock Park, so autos could swiftly leave and get onto the new Route 110 at Route 114 access. (Staff Photo)

If the road comes under Chapter 90, this leaves Andover and Lawrence in the position of committing their Chapter 90 appropriations to this work for several years — an undesirable solution when one contemplates the number of roads that need immediate attention from this annual appropriation. Then too, such a solution would imply that the communities could agree on an equitable distribution of the costs. . . . an assumption that we can not accept easily.

The state can best design and construct this relatively short road, possibly thus using some of the money contributed to the state from the area via taxes of all sorts.

We can think of no better solution to the traffic problem.

Appears a wee bit quizzical.

And as Rep. Casey truly points out, the economic welfare of the area can thus be protected and stimulated.

Cooperation Appreciated

Both Raytheon and the residents of Shawsheen are to be commended for their cooperation in helping to solve the most recent parking problems in the area.

The Selectmen agreed Monday night that both the residents and the manufacturing company should be congratulated — the former for waiting patiently while an additional parking lot was under construction and the latter for hurrying the lot to help ease the burden on the streets.

Now that the parking facility is available, town police are taking necessary steps to be certain that all cars use it.

There should be rigid enforcement of the parking regulations now, as promised by both Town Manager Thomas E. Duff and Police Chief David L. Nicoll. With adequate space available, there can no longer be any excuse for employees of the firm to park along the streets.

We want to add our congratulations to those of the Selectmen, to both residents and company, for the spirit of cooperation that has been evident on both sides.

And we certainly endorse the municipal decision to be tough in enforcing parking regulations, so that the new parking lot will be used to capacity while the streets become less and less of a parking area.

Down the Years with The Townsman

50 Years Ago — December, 1909

Arthur H. Jenkins has been employed in the Andover National Bank.

Miss Caroline Abbot, who is employed in the National Bank, has been confined to her home by illness.

Repairs are being made in the store formerly used by W. C. Crowley as a shoe store. Mr. Crowley will move his drug store to these quarters after the holidays.

Dana Clark of Summer st. left town early this week for Claremont, N. H., where he has accepted the position of assistant superintendent of the Sullivan Machine Works, manufacturers of drills and mining machinery.

25 Years Ago — December, 1934
The Andover Red Cross broke all existing records in its roll-call campaign. There now are 2,191 members, who paid \$3,563.71 in contributions. Stafford A. Lindsay headed the committee.

Andover's E.R.A. list grew steadily smaller this week, as many textile workers were summoned back to their jobs in Lawrence and local mills. Government orders are given credit for stimulating business. The list now numbers 170.

A hearing will be held by the Selectmen Dec. 24 on awarding liquor licenses. The attention of all licensees has also been drawn to a set of rules and regulations recently drawn up by the Board, dealing with sanitation and general operating procedures for the places of business.

The house owned by Edward Pritchard on Morton st. has been sold to Atty. James S. Eastham of Methuen.

The final plans for the junior high project will be ready by Monday, when they will be sent to Boston for PWA approval. Bids will be sought on these plans, on the originals, and on the original

with a slight alteration. After bids are received, a special town meeting may have to decide which plan to follow.

Streets were sanded last night for the first time — apparently the weather man doesn't have much respect for the town's tax rate.

10 Years Ago — December, 1949
New stop signs will be installed at Summer and Whittier sts., with traffic on Summer st. coming to a halt at the intersection. There have been numerous accidents there in recent years.

A plan to either fence in, or cover, Rogers Brook in the Playstead is under study by the Selectmen and Board of Public Works. A Ballardvale woman has complained to the Selectmen that she and her young son fell into the Brook Halloween night, and the town fathers said they recognize the danger in the Brook being open.

Track will continue as a varsity sport at the High School, at least for the balance of the year. The School Committee agreed to this, after accepting with thanks a donation of \$250 to the Athletic fund from the Boosters' Club for the specific purpose. A study of athletics and costs will be started soon, the Committee agreed.

Police have been receiving numerous complaints from merchants that shoplifters are busily engaged in removing small items from counters.

For the first 11 months of the year, new construction estimates total \$1,553,535. This includes the housing project on Morton st. Mrs. Wilson Knipe has been elected to lead the Andover Village Improvement Society for the coming year.

A West Andover man paid \$15.50 for his dog's dinner Sunday, but it wasn't planned that way. A neighbor had prepared 15 pounds of beef in Armenian style and hung it on a tree to cure. The results:

dog ate meat, neighbor called police, owner discovered, owner paid \$1.10 a pound for the delicacy.

Littlest Listener Parties

All members of the Cardinal group of Littlest Listeners are invited to a Christmas party at the library when they have their next meeting on Wednesday morning, Dec. 15, at 10 o'clock.

At this meeting mothers are asked to plan to stay in the room with the children, to observe how the little people have learned to take part in the program. Refreshments are planned for the parties.

Ballardvale members of the branch library group will have their party on Thursday morning, Dec. 17, at 10 o'clock in their own room.

Any child who is registered for either group is invited to attend.

The Robins will have their party the following week, on Wednesday, Dec. 23, in the Memorial Hall Library.

Great Books Group

The Great Books Discussion Group will meet at the library on Tuesday evening, Dec. 15, at 7:45 o'clock for their discussion of the Bhagavad-Gita. This will be the last meeting before the Christmas recess. The first meeting of the new year will be on Tuesday, Jan. 5.

Books For Christmas

A special list of books that will be suitable for Christmas gifts has been prepared by Miriam Putnam, librarian, and will be picked up at the main desk.

has three or four titles for each of a number of categories — such as fiction, travel, literature, music, biography, etc.

Recent Additions Of Art Subjects

Among the books added recently to the library are the following which are on art subjects: The Louvre, Bazin; Story Of Modern Art, Cheney; Art Through The Ages, 1959 edition, Gardner; Scandinavian Architecture, Fiske; Introduction to Twentieth Century Design, New York Museum of Modern Art; French Impressionists In The Louvre, H. W. The Hokusai Sketchbook, Cassa; Hika; Great Draughtsmen From Pisanello To Picasso, Rosenberg; The Limit Of Art, Cairns.

\$4-500 Cost To Replace Bound

It will cost some \$400 to replace the stone bound at the intersecting line of North Road and Wilmington with Andover but this cost should be borne by persons responsible for its placement.

This was the recommendation of Town Manager Thomas E. Duff to the Selectmen, after a conference to the bound that was formerly was in the Benevolent Society off Route 93. Duff said he notified the other towns that the bound is missing and has a written to the owner of the plot to the operator of it, and to the bonding companies involved.

He suggested that attention also should be paid to the second bound that now hangs precariously on the top of one side of the pit.

Duff said the town officials will be required to walk the bounds again in 1960. The Selectmen, however, have necessary identification marks to properly re-locate the bound.

Selectman William Stewart commented that the town should be certain that an engineer does the work who is satisfactory to the town.

Alex Henderson of Argilla returned recently after spending several days hunting at Passaconway, N. H.

Work Made Easy

Here's a tip for homemakers that will spare them the hard work in washing the broiler pan on their kitchen range. Sprinkle detergent over the hot pan, cover with wet paper towels, and let it stand while you eat. When you're ready to do dishes, the grease will wash off easily.

How to Roast Turkey

Your Christmas turkey can be roasted to a nice uniform brown by covering it loosely in the oven with a "tent" of foil. Sometimes it may be necessary to foil-cover parts that are browning too fast and to brush the skin with fat. Basting is not necessary.

Former Principal Takes New Post

Harold Howe II, former Junior and Senior High headmaster at the former Punchard High School, resigned this week as headmaster of nationally-recognized Newton High School. He has been elected superintendent of schools in Scarsdale, N. Y.

Howe resigned from the Andover school system in 1953. He quit his job at Newton for a more lucrative position in New York, one that will pay him between \$22,000 and \$22,500. He has been receiving \$13,500 at Newton.

Also Taught At P.A.
Howe, a native of Hartford, Conn., attended Taft school in Watertown, Conn., and is a 1940 graduate of Yale.

He received a master's degree in history from Columbia and studied at the University of Connecticut.

During World War II he commanded minesweepers in the Atlantic and Pacific. He was released from active duty as a lieutenant senior grade.

His first teaching job was at Darrow School in New London, N.Y.

He went on to teach at Phillips Academy and was named headmaster of Punchard High School in 1950 on the recommendation of Dr. John M. Kemper, headmaster at Phillips.

In 1953 he took a job as principal in Cincinnati and in 1957, he succeeded the late Dr. Leo J. Barry at Newton High.

Howe is married to the former Priscilla Foster Lamb of New York, a Vassar graduate. They have three children.

land. Building Inspector James N. Hall informed Mr. White last Friday, when he asked for a building permit, that he must first get the approval.

The land was zoned in the 1955 town meeting at Mr. White's request, and he explained the general plans for the area then. In the article, it was specified that the new industrial area would be governed under the same rules and regulations as the West Andover industrial area in response to getting approval for the specific use of the land and the building to be put on it.

Under normal procedures, the following abutters have been notified of the hearing: Boston and Maine Railroad; Mary S. Morin of San Francisco, Cal.; Elsie White, 47 Andover st.; Chester Abbott, Red Spring rd.; and Stewart F. and Meta S. Easton, 51 Andover st.

Earlier this fall, Mr. White and town officials did not reach an agreement on the extension of a sewer line along Andover st. to service the new buildings. It is understood, however, that plans are being worked out to use sewage tank facilities, with approval of the state.

HALT BUILDING PERMIT IN VALE

(Continued from Page One)

conforming use in a residential area.

The Selectmen acted on hearing an appeal from Miss M. C. Geagan, who lives across the street. She claimed that the building has not been used for commercial or industrial use, as the woman who owns the property has been living there.

Chairman Eugene A. Bennett Jr. commented that any use conforming use of property upon continued use of the property and that it reverts to the restricted zoning if not consistent in use.

Building Inspector Hall's father, Selectman Edward P. Hall, said he believes the building has been used over the years for a variety of commercial and business purposes and he disagreed that the use may have been interrupted.

He recalled that the building had once housed bowling facilities, and said the owner lived in a section which formerly had been club meeting rooms. Mr. Hall stated that there had been stores in the building, that other enterprises have used it over the years since the zoning by-laws were adopted by the town.

Miss Geagan refuted these statements, claiming that the owner, Miss Maude Crotes, who lived there and had not allowed use of the building for business purposes.

Town Manager Thomas E. Hall was instructed to investigate the circumstances surrounding the issuance of the permit so that the Board could be informed of the details. And he also was instructed to confer with town counsel on legal definitions of a non-conforming use.

The written permission to use the property, issued by the building inspector, stated that "any use conforming use has not been abandoned" and the building could be used for the same purposes for purposes not substantially different and may be repaired structurally altered. But it could not be expanded without a permit from the Board of Appeals, a letter stated.

Homemakers Held Christmas Meeting

Mrs. James Letters of Tewksbury st. was hostess for the Christmas meeting of the Ballardvale Homemakers' Extension Club at her home last Tuesday morning. A coffee hour was enjoyed after which Mrs. Roy Brown and Mrs. Albert Warner showed the group how different Christmas arrangements of wreaths, flowers and door swags are made.

Mrs. Arthur Vanasse was welcomed into the club as a member.

Present were Mrs. Frank Froburg, Mrs. Henry Meyers, Mrs. Frank Green, Mrs. Robert Mears, Mrs. Vanasse, Mrs. Brown, Mrs. Warner and Mrs. James Letters.

The next meeting will be held Tuesday, Jan. 5, at the home of Mrs. Frank Green. Social Security will be discussed.

ACCEPTED FOR GLEE CLUB MEMBERSHIP

Carol Clements of Andover has been named to the Middlebury College Women's Glee Club after fall try-outs.

The group's 48 members hold weekly rehearsals through the academic year and participate in

various college functions. In their next official appearance the glee club will join the college's concert band to present a program of Christmas music at a Vermont State children's home near Middlebury.

Miss Clements, a freshman, is the daughter of Mr. and Mrs. Philip Clements, 39 Sunset Rock rd.

ADJUSTING BEAUTIFUL DISPLAY — Seminarians of the Francis Seminary in West Andover put the finishing touches on the display of over 33,000 colored bulbs, which will be on Dec. 18. The colorful display will be seen every night, 5 to 10:30, until Jan. 6. The lighting motif this year is based on the symbols of faith, hope and charity — a cross, anchor and heart. The bells overhead are 12 feet in height and will be brilliantly silhouetted. Thousands come to see the display all over New England.

Candlelight Service
At Free Church

Sunday evening at 8:15, a Candlelight service will be held for families of the Free Church. Carols will be sung by the children's choir and the congregation. A nativity play, originally presented at York, England, in the 14th Century, will be acted by Susan Shaw and Robert White. Gifts will be presented during the service, which will be sent to the Boston Mission Society. A symbolic candle will be presented to each family at the close of the service, which will be at 7 o'clock.

SOUTER - BARON

The wedding of Miss Shirley M.
Baron, daughter of Mr. and Mrs.
Fred Baron, 15 Sanborn st., Law-
rence, and Charles E. Souter,
213 Salem st., son of Mrs. Nina
Souter and the late Robert F.
Souter, took place Saturday, Nov.
29, at a 1 o'clock ceremony in
Sacred Heart Church, Lawrence,
The Rev. Lucien Chasse, S.M.,
officiated.

Mrs. Arthur J. Scott presided at
the organ and accompanied the
soloist, Armand Morrisette.

The bride was ushered to the
altar by her father and she was
preceded by her sister, Mrs.
Lawrence Ellis, who served as

matron of honor. The bridesmaids
included Miss Barbara DiCicco
and Miss Barbara Albrecht, both of
Lawrence. The bride's niece, Miss
Nancy Ellis and the bridegroom's
niece, Deborah Towne, served as
flower girls for the ceremony.

Mr. Souter's best man was Dave
Anderson and the usher's duties
were performed by Donald Baron of
Lawrence, Arthur Towne and Allan
Chadwick, both of Andover, Mau-
rice Shea of Cambridge and
Joseph Winning of North Andover.

For her wedding the bride chose
a white peau de soie gown with a
fitted bodice that featured a scoop
neckline edged with Alencon lace
jeweled with pearls and sequins
and long sleeves. Her bouffant
skirt of silk was fashioned with
lace inserts that cascaded down
the back and a separate peplum
that extended into a chapel train.
Her long veil of French illusion
fell from a crown of seed pearls
and iridescents and she carried
a star arrangement of Stephe-
notis and butterfly roses centered
with calla lilies.

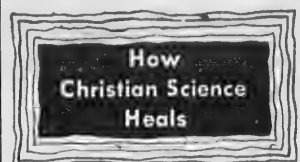

The honor attendant wore a
turquoise silk satin gown with a
scoop neckline and elbow length
sleeves. Her ballerina length skirt
was fringed with streamers and
caught with a bow in front. A
matching velvet crown was caught
to a short veil and she carried an
arm bouquet of long stem golden
bronze mums.

The bridesmaids were dressed
the same in toast silk satin with
matching toast accessories. They
carried arm arrangements of yellow
and gold pompons.

Guests from Virginia, Connecti-
cut and Boston attended the re-
ception held at the Colony Room.

On return from a wedding trip to
Miami Beach, Fla., the couple
will make their home at 213 Salem
st.

The bride is a graduate of
Sacred Heart High School and Mr.
Souter attended Wentworth Institute

South PTA Saw Film On Children

The intense feeling of identity with a group, which characterizes children of ages six, seven and

eight, was pictured in the film, "A Long Time to Grow," shown at the South Elementary PTA meeting Thursday night.

The program was preceded by a business meeting conducted by President James A. Watters.

Amendments to the PTA by-laws were approved by the membership which will change the dues from 50¢ to \$1 per member and will omit the June meeting of the organization.

Jerald M. Cornwell, treasurer, presented the year's budget, which had been prepared by him and a committee consisting of Mrs. George L. Schmidt and Lewis C. Trumbore.

Mrs. James L. Hills reported on the State PTA convention recently held at Swampscott. She and Mr. Watters represented the PTA at the meeting.

After a discussion of various projects which would benefit the school the group voted to purchase colored pinners to be used for identification by the school athletic teams. A volunteer work group was formed of members, who

will make toys and collect games to be used in the lower grades for indoor recreation.

In a short talk, Lionel A. Goulet, principal, discussed the results of recent testing of pupils in grades three through six. He also spoke of the equipment in the school library and said that books purchased for the library by the PTA were on display. He announced that a Christmas program will be presented by a second grade and fourth grade class at 1:30, Dec. 21, for parents and Dec. 22 for the school children.

Mrs. Inman's second grade class was the winner of the attendance banner, having the highest percentage of parents present at the meeting.

Refreshments were served under the direction of Mrs. Donald Dustin, 'hospitality chairman. She was assisted by Mrs. William Thomas Jr. and Mrs. Ernest Hall, Mrs. J. Gerard Hames and Mrs. Donald J. Lee, fifth grade room mothers.

Junior Gardeners Will Make Wreaths

The next meeting of the Andover Junior Garden Club will be held Saturday, at 10:30 a.m. at Memorial Hall Library. The newly-elected president, Sharon Butcher, will preside. Secretary for the club is Margaret Wilde.

The morning's program will include the regular quiz table. Much of the time will be spent on making various types of Christmas decorations, both for themselves and to use as decorations for the Child Guidance Center's holiday tree, to be trimmed by the Junior

Gardeners in Lawrence (Mass.). Members are asked to bring cones, nuts and acorns for small Christmas wreaths. They are also reminded to bring a small container or basket.

Mrs. John Cecil, chairman, will be in charge of the program, assisted by Mrs. Adeline Baker, Mrs. Richard Anderson, Mrs. Vincent Stulgis.

Following the meeting refreshments will be served by the committee.

Christmas Shopping in Land of the Bible

Israel Govt. Tourist Office Photo

AN AMERICAN COUPLE in Nazareth, Israel, shopping for Bible souvenirs, pottery and ancient jewelry during their vacation in the Land of the Bible. The spirit of 2,000 years ago still reigns in this Galilean town as women, with earthen jars gracefully poised on their heads, walk along the quaint bazaar stalls, past Joseph's workshop, to draw water from Mary's Well. The Church of Annunciation and many other holy places make Nazareth a must for the thousands of Americans who visit Israel each year, according to the Israel Government Tourist Office.

New Nickel Mine

The Thompson Mine of International Nickel in northern Manitoba, which is currently being developed into the world's second largest source of nickel, was discovered in 1956 after ten years of exploration at a cost of about \$10,000,000.

Stainless Curtain Wall

Although the use of nickel stainless steel as a curtain wall material in building construction dates back only to 1948, numerous buildings employing this material as an exterior facing have been erected since that time.

South PTA Saw Film On Children

The intense feeling of identity with a group, which characterizes children of ages six, seven and

eight, was pictured in the film, "A Long Time to Grow," shown at the South Elementary PTA meeting Thursday night.

The program was preceded by a business meeting conducted by President James A. Watters.

Amendments to the PTA by-laws were approved by the membership which will change the dues from 50¢ to \$1 per member and will omit the June meeting of the organization.

Jerald M. Cornwell, treasurer, presented the year's budget, which had been prepared by him and a committee consisting of Mrs. George L. Schmidt and Lewis C. Trumbore.

Mrs. James I. Hills reported on the State PTA convention recently held at Swampscott. She and Mr. Watters represented the PTA at the meeting.

After a discussion of various projects which would benefit the school the group voted to purchase colored pinners to be used for identification by the school athletic teams. A volunteer work group was formed of members, who

will make toys and collect games to be used in the lower grades for indoor recreation.

In a short talk, Lionel A. Soulet, principal, discussed the results of recent testing of pupils in grades three through six. He also spoke of the equipment in the school library and said that books purchased for the library by the PTA were on display. He announced that a Christmas program will be presented by a second grade and fourth grade class at 1:30, Dec. 21, for parents and Dec. 22 for the school children.

Mrs. Inman's second grade class was the winner of the attendance banner, having the highest percentage of parents present at the meeting.

Refreshments were served under the direction of Mrs. Donald Dustin, hospitality chairman. She was assisted by Mrs. William Thomas Jr. and Mrs. Ernest Hall, Mrs. J. Gerard Hames and Mrs. Donald J. Lee, fifth grade room mothers.

Junior Gardeners Will Make Wreaths

The next meeting of the Andover Junior Garden Club will be held Saturday, at 10:30 a.m. at Memorial Hall Library. The newly-elected president, Sharon Butcher, will preside. Secretary for the club is Margaret Wilde.

The morning's program will include the regular quiz table. Much of the time will be spent on making various types of Christmas decorations, both for themselves and to use as decorations for the Child Guidance Center's holiday tree, to be trimmed by the Junior

Gardeners in Lawrence Dec. 17. Members are asked to bring this meeting all types of cones, nuts and acorns for small Christmas wreaths. They are also reminded to bring pins and a small container or basket.

Mrs. John Cecil, chairman, will be in charge of the meeting, assisted by Mrs. Adeline Baker, Mrs. Richard Anderson, Mrs. Vincent Stulgis.

Following the meeting refreshments will be served by the committee.

Christmas Shopping in Land of the Bible

Israel Govt. Tourist Office Photo

AN AMERICAN COUPLE in Nazareth, Israel, shopping for Biblical souvenirs, pottery and ancient jewelry during their vacation in the Land of the Bible. The spirit of 2,000 years ago still reigns in this Galilean town as women, with earthen jars gracefully poised on their heads, walk along the quaint bazaar stalls, past Joseph's workshop, to draw water from Mary's Well. The Church of Annunciation and many other holy places make Nazareth a must for the thousands of Americans who visit Israel each year, according to the Israel Government Tourist Office.

TOYS FOR TOTS DEPOT IS FIRE STATION

The Andover fire station has been designated as the pick-up station for "Toys for Tots" drive.

This annual appeal for toys is conducted by the Marine Corps Reserve.

Any toys are acceptable, broken or otherwise, according to the drive's sponsors.

New Nickel Mine

The Thompson Mine of International Nickel in northern Manitoba, which is currently being developed into the world's second largest source of nickel, was discovered in 1956 after ten years of exploration at a cost of about \$10,000,000.

Stainless Curtain Wall

Although the use of nickel stainless steel as a curtain wall material in building construction dates back only to 1948, numerous buildings employing this material as an exterior facing have been erected since that time.

Free Parking OK'd From Dec. 16-24

At the request of the Board of Trade, the Selectmen have agreed to provide free parking in business district from Dec. 16-24.

And from Dec. 10 through 24th, the municipal parking will also be free.

Town Manager Thomas L. has notified the Board of Trade that the Selectmen suggest flood lights might be installed in the municipal area as an inducement to shoppers who wish to use the area.

During a discussion of Board of Trade request, members of the Board of Selectmen wondered whether traffic would move as smoothly along the town streets when the meters not operating. But they agreed the free time on the basis of Board of Trade must have prior experience to indicate parking spaces remain available.

STUDY GROUP ON AFRICA ENDS

The last meeting on the subject "Africa" by the study group of the Ballardvale United Church was held last Thursday in the parsonage. Mrs. J. Mitchell and Mrs. Moody were the leaders of this group. Meetings will be resumed in the new year.

Those present were Mrs. J. and Sherry, Mrs. Anna Healy, Herbert Peterson, Mrs. J. Letters, Mrs. Ralph Rosenblad, Mrs. Moody and Mrs. Mitchell.

COMPLETE BASIC CUB TRAINING PROGRAM

Cubmaster Ellsworth Spaulding and Den mothers, Mrs. Ferrier and Mrs. Mary C. Pack 76, Ballardvale, have completed a basic course in Scouting which was held in Methuen.

Safety Stressed
At Christmas

Church fires in recent years emphasize the need for special safety precautions during the Christmas season.

In Caribou, Me., Christmas trees placed around an altar in the auditorium of a church there fed the blaze. They were ignited when a small girl knocked over a tree which fell on lighted candles nearby.

In Billings, Mont., an attendant lighting candles accidentally set fire to a large velvet curtain behind the altar. Fire quickly spread to a combustible fibre-board ceiling.

In upper New York State fire burned out the interior of a church after starting in a Christmas crèche at the right of the altar. Though the cause was not determined, the paper and other combustible decorations fueled the blaze.

And in Missouri, Christmas trees placed along the altar rail fed a blaze of undetermined origin.

Because of the extreme combustibility of evergreen trees, there is a considerable hazard in setting up a Christmas tree anywhere in the church, the National Board of Fire Underwriters says.

If a tree is set up, however, the local fire department should be consulted as to suitable methods of flameproofing, the National Board adds.

Location of the Christmas tree is of vital importance. Do not let it block an exit, or set it up near a stairway or elevator which would provide an upward draft. In addition, the following precautions should be taken:

Buy a fresh tree and store it outdoors until actually needed. When setting it up, stand it in a tub of water and brace it well. Keep it away from sources of heat.

Use only flameproofed decorations

or those made of noncombustible materials. Lighting sets and extension cords should be in good condition and carry the UL label, which means that Underwriters' Laboratories, Inc., have tested them for fire and shock hazards. Bulbs should hang free and not rest on needles. Do not leave tree lights burning when church is unattended. An inspection should be scheduled each day by someone of authority to determine whether the tree has dried and become brittle and should be left up for a longer time or be discarded. Never use candles on the tree.

All draperies and decorations used at any time in any part of the church should be properly flameproofed. The local fire department can give advice concerning flameproofing methods. A pamphlet entitled "Flameproofing of Textiles," published by the National Bureau of Standards, gives a number of formulas for flameproofing solutions. Flameproofing is also done commercially by many laundries and dry-cleaners, with fire department approval.

Although flameproofed fabrics have a certain degree of resistance when exposed to a source of ignition, safety measures should be followed, never-the-less. Candles should never be placed where draperies or decorations can blow over them. In addition, if candles are used, take further precautions by always setting them in sturdy candleholders which will not tip over and seeing that every candle is extinguished when the service is over.

Combustible decorations are on the list of special fire hazards of churches. Their use for flimsy costumes, Christmas creches, canopies and decorations for social functions is evidence that the fundamentals of fire prevention are not fully understood.

Church officials should scrutinize their present practices, first for the purpose of reducing the use of combustible material to a minimum, and second, to protect that which must be retained in the ritual so that it does not present a serious fire hazard, the National Board says.

Suggestions include the use of flameproofed cloth, clothing and decorations, treatment of both temporary and permanent interior woodwork with fire retardant paint, erection of Christmas trees and creches on church lawns, and where this is impracticable, keeping them small. Open flames and temporary wiring, obviously, should not be permitted near combustible material, and where special illumination is required spot lights should be connected to permanent fixtures at safe distances.

Reporting a Fire

Knowing how to report a fire, according to the National Board of Fire Underwriters, may save your life, your family, and your home.

Here's how: Write down the correct telephone number of your local fire department, and place it near the telephone. Or, if the procedure in your town is to call the operator, make note of that.

Because of the widespread use of dial telephones, it's more important today than ever to know the exact number of your nearest fire department.

In many areas, when you dial "Operator," your call may be received in a central exchange several towns away. The operator may have to guess which fire department to notify. As a result, the arrival of fire apparatus is delayed.

Give your address clearly and distinctly when you call.

Know the location of the fire alarm box nearest your home. Familiarize yourself with the directions and how to operate it.

If you turn in an alarm for a fire, wait by the box to direct the firemen to the scene of the blaze.

WILL ALLOWED IN
PROBATE COURT

The will of Mrs. Anna Lee of Andover was approved in the Probate Court Monday by Judge John A. Costello, who appointed two of her daughters, Mrs. Janet L. McKallagat and Mrs. Jane L. Hart, both of North Andover, as co-administratrices with the will annexed. The estimated value of the estate is \$50,000.

Ulcers Healed in 8 Out
of 10 Cases by New Drug

Gastric and duodenal ulcers have been healed in eight out of ten cases, without the aid of a special diet, by a new drug that is based on a mucilage formed from vegetable material.

Ulcers, practically unknown a century ago, are now almost as common as measles. It is estimated that, in the United States alone, 18 to 20 million persons suffer from ulcers. This high frequency rate has spurred research work on new ulcer therapy techniques, and Vanul is the most recent and most effective product of this research effort.

The drug, called Vanul, was clinically tested over a two-year period, on more than 400 patients whose ulcer diagnoses had been confirmed by X-ray. It healed ulcers in better than 80 per cent of the test cases. These results were also substantiated by X-ray examination.

The new compound, developed by the Vanguard Pharmaceutical Corp., of Cedar Grove, New Jersey, has been approved for sale by the Food and Drug Administration. A national distribution system has been instituted to provide immediate availability.

The new drug is a greenish, slow-flowing liquid that has a licorice-mint taste. In extensive clinical tests, none of the patients regarded the taste of Vanul as objectionable.

In the tests, it was given to the patients at a dosage of one tablespoon before each meal, plus an additional tablespoon at bedtime. This schedule was continued for 20 days. For the next three months, the patients received one teaspoon of Vanul in the morning and in the evening.

The only dietary restriction made during the tests was that patients were not to drink carbonated beverages.

Another daughter, Mrs. Barbara L. Mill of Andover, who was bequeathed \$1, opposed allowance of the holographic instrument, signed Aug. 12, 1949. Mrs. Lee died last June 2. She awarded all of her property to Mrs. McKallagat and Mrs. Hart.

Building Stopped On Some Streets

Thirty-nine unaccepted streets are temporarily "off limits" to builders, until the Selectmen indicate in writing which of the streets they plan to accept.

The Planning Board decision to allow no further construction on unaccepted streets came at a time when one application was presented for a home on Blood rd. But Town Manager Thomas E. Duff reported that the action "had been building up" for a long time and just happened to coincide with the Blood rd. request.

He told the Selectmen that a policy statement from the Board is needed, so that the building inspector and Planning Board can issue permits on unaccepted streets "where such building would not place an undue burden on the town".

He suggested that this procedure could be followed, if the Selectmen agreed to the gradual acceptance of the streets as the engineering work is done on plans.

It was explained that many of the streets may not meet present-day requirements — but have been under town care for years. These, it was felt, should probably be accepted as they are, after proper plans are drawn for the records.

This process may cost the town additional funds, it has previously been brought out, and possibly could be done over a two or three year period.

Eventual approval of the streets lies with town meeting, but it has been ruled by legal counsel in the past that the streets must be laid out by the Selectmen prior to acceptance by town meeting.

There was some grumbling among Board members that the streets were supposed to have been accepted many, many months ago following a special act of the Legislature that made it possible for the town to take such steps.

There were no reasons advanced as to why positive steps had not been taken at that time.

Mr. Duff pointed out to the Selectmen that the building inspector and Planning Board have been approving issuance of the permits, based in part on the former Board's statements that the streets would be accepted.

Unaccepted Streets

The list of unaccepted streets presented to the Selectmen Monday night includes the following streets, many of which are old Andover roads:

Bancroft rd., Bannister rd., Boutwell rd., Brown st., Burnham rd., Buxton ct., Corbett st., County rd., Cross st., Cuba st., Cutler rd., Ferndale ave., Gardner ave., Gray rd., Hidden rd.

Also Liberty st., Lincoln st., Lowell Jct. rd., Mill st., North st., Oak st., Pearson st., Pleasant st., Porter rd., Rattlesnake Hill rd., Rocky Hill rd., Spring Grove rd., Also Stinson rd., Torr st., Upland rd., Vine st., Whittier ct.,

Windsor st., Woodland rd., Blood rd., Fiske st., Gleason st., Ledge rd. and Tucker st.

Received Flag From D.A.R.

A flag that flew over the nation's capitol was presented to Brownie Troop 92, St. Augustine's School, by members of Priscilla Abbot Chapter, N.S.D.A.R.

Mrs. Frank Hayes and Mrs. Leo O'Connor made the presentation of the flag and a certificate showing that it had flown over the capitol.

The girls formed the traditional horseshoe for the ceremony and had their own flag presentation.

A pinning ceremony also took place, with the following awards: Brownie pins to Susan Devlin, Diane Gaudet, Barbara Manock, Elizabeth McMahon, Martha Mulligan, Marilyn O'Leary and Kathleen Shea.

Receiving one-year pins were Jane Bayliss, Janet Beaver, Virginia Beiswenger, Brenda Burbine, Jeanne Cloutier, Beth Cronin, Denise Demers, Mary Doherty, Elizabeth Godek, Judy Hajj, Kathleen Hurley, Jocelyn Lawson, Elaine Manock, Patricia Morrisroe, Beverly O'Neil, Anne Parrotta, Ellen Sullivan and Linda Thomson.

HOLLY HOP IS FRIDAY

The Sophomore Class at Andover High School is holding its dance "Holly Hop" Friday, Dec. 11, from 8 to 11 p.m. Tickets may be purchased at the door. Music will be supplied by Richard Workman as disc jockey and also a local musical group "The Downbeats", including John Billello, Albert Comeau, David Currier and Joan Simeone.

Will Discuss New School Site

The Planning Board and School Committee will sit down together Dec. 15, to talk about possible sites for a school in West Andover.

The town planners were invited to attend the meeting of the School Committee because members felt the planning agency should have some excellent recommendations to make. Later, it is proposed to discuss the subject with the revitalized Land Acquisition Committee, with the possibility that land may be obtained in the fairly near future.

It is generally agreed that the next school will be needed in the western part of town.

Phillips Academy Elects Captains

The Athletic Department of Phillips Academy announced the elections of captains of the varsity sports for 1960.

Glenn O. Hay Jr. of Framingham Center, was elected captain of the varsity football team.

David S. Hackett of Ligonier, Pa., was elected captain of the varsity soccer team.

Stephen R. Hobson of Garden Grove, Cal., was elected captain of the cross country team.

Receiving special awards for their participation in the 1959 athletic season were Jonathan P. Atkinson and William B. Reynolds,

who were the co-recipients of the J.V. football trophy for outstanding contribution to football below the varsity level. Stephen R. Hobson was the recipient of the Cross Country Trophy.

The department also announced at this time the football schedule for 1960. The football team will play an eight game schedule with Northeastern, Tufts and Williams Freshman teams and Lawrenceville, Deerfield, Mt. Hermon, Brewster and Exeter. This will be

the first time that Lawrenceville and Andover have met on the ball field.

Duff Presents Town Budget

The 1960 tax rate may increase by as little as 25 cents in the Town Manager Thomas E. Duff's budget estimates prepared for the town meeting.

The 1959 rate is \$20.40 per thousand.

In his first formal budget presentation under the town manager charter, Duff has estimated the general government budget at \$1,670,959.48 — an increase of \$51,446.33 over 1959 appropriations. The school department budget, estimated for the manager by the superintendent of schools, is \$1,300,000. This

League Suggests More Recreation

The Recreation Committee of the League of Women Voters reported to its directors that Andover recreational programs are inadequate, compared to those of the town.

Mr. R. Milton Cole, in the report for the Recreation Committee, listed a seven-point program which the committee will help establish what he believes to be an adequate program.

To initiate community and create interest in the League of Women Voters, the League is now talking about specific meeting articles, and asking municipal Recreation Committee help and assistance in the project.
